ADVOCATE & VOLUNTEER MESSAGE FROM EMPLOYEE CAMPAIGN COORDINATOR

Suggested Email Subject Line: Live United: give, advocate, **VOLUNTEER**

Dear **EMPLOYEE NAME:**

Thank you for being an important part of **NAME OF COMPANY**. We appreciate your support of our company efforts and especially of United Way.

As you know, last year United Way launched LIVE UNITED--a three-part call to action. We learned that each of us can LIVE UNITED by giving, advocating and volunteering.

Each of us can be an advocate and a volunteer; it's within our power to do both. We can choose to stand up for others, and take action on the causes we are passionate about. Whether you're speaking out to improve education, financial stability, and/or health, reaching out to members of Congress, or wearing the LIVE UNITED shirt to show your support, you can help inspire hope and create opportunities for a better tomorrow.

Whether it's reading to children, leading financial literacy classes for hard-working families, or delivering meals to homebound seniors, there are hundreds of volunteer options available every day through United Way Capital Area's volunteer department, Hands on Central Texas at <http://www.handsoncentraltexas.org>.

By adopting these simple actions, we can all impact community conditions for the better.

Sincerely,

Employee Campaign Coordinator
