GIVE MESSAGE FROM EMPLOYEE CAMPAIGN COORDINATOR

Suggested Email Subject Line: Live United: **GIVE**, advocate, volunteer

Dear **EMPLOYEE NAME:**

This year, **NAME OF COMPANY** is offering you the option to give to your passion by donating to any nonprofit agency and encourages you to support the community by investing in UWCA.

With the help of dedicated donors like you, United Way is improving lives, tackling key issues facing our area, and making a lasting impact. Together, we can create a better tomorrow for our neighbors. If we reach out a hand to one, we influence the condition of all—that's what it means to Live United.

I hope you consider participating in this year's campaign by supporting United Way Capital Area. Your generosity and commitment will demonstrate why **NAME OF COMPANY** continues to stand out as a community leader.

And remember--LIVING UNITED is not just about giving--but also about being an advocate and volunteer on behalf of our friends and neighbors who need our help the most.

Sincerely,

CEO or Employee Campaign Coordinator
