

## WORKPLACE GIVING CAMPAIGN 2011

ROOTED IN CENTRAL TEXAS

### THANK YOU FOR ATTENDING!

Dear \_\_\_\_\_

Thank you for attending today's United Way Capital Area Leadership Luncheon. The \_\_\_\_\_ 2011 goal is \_\_\_\_\_ and we are well on our way to meeting that goal. I hope you will join me in responding to the LIVE UNITED call to action by contributing at a leadership level of \$1,000 or more.

Your leadership gift can help United Way Capital Area create long-lasting change. You also set an example of generous charitable giving that inspires others to consider making a larger investment in our community. By contributing at the \$1,000 or more level, you join an influential group of leaders helping to make a significant impact in Education, Income and Health—the building blocks of a successful life.

\_\_\_\_\_ had \_\_\_\_\_ Leadership Givers in 2010 and we hope to surpass that number this year. Your decision to give is a personal choice, so I encourage you to learn more about United Way Capital Area ([www.unitedwayroots.org](http://www.unitedwayroots.org)) and how you can invest in the Central Texas community.

United Way Capital Area encourages people across our community to Give, Advocate and Volunteer. This is a great opportunity to open your heart, share your voice and join hands to support others in need. This is what it means to Live United.

Please join me in supporting United Way Capital Area today.

Sincerely,
