### LIVE UNITED: ADVOCATE.

Dear ~~XXXXXXXXXXXXXXXXXXXX~~

Thank you for your valued contribution to ~~XXXXXXXXXXXX~~ and your support of our commitment to partner with United Way Capital Area. By giving to UWCA, we are all investing in the well-being of Central Texas.

UWCA asks us all to LIVE UNITED by participating on three levels: Give. Advocate. Volunteer.

You may already be acting as an Advocate without realizing it. You act as an Advocate when you speak out about important issues and speak up for causes you care about. When you Advocate for things you believe in, you answer the United Way call to LIVE UNITED and help create a better tomorrow for ~~XXXXXXXXXXXX~~

Today and everyday, use your voice and passion in support of community issues that impact us all. If you have a story to share about how you Advocate, send me an email so we can share it in our company newsletter or ask you to share during our next staff meeting. You can also visit [www.unitedwayroots.org](http://www.unitedwayroots.org) to share your story with United Way and explain how you LIVE UNITED in our community.

Sincerely,
