Volunteer with UWCA

Hands on Central Texas

www.handsoncentraltexas.org

Hands On Central Texas, a program of UWCA, strengthens communities through meaningful volunteer action. We provide over 400 volunteer opportunities & projects, Days of Service and Volunteer Leadership opportunities. On the HOCT website, you can search for current volunteer opportunities, register for UWCA trainings and learn more about UWCA's Days of Caring, which provide companies opportunities throughout the year to complete volunteer projects while building camaraderie.

Advocate with UWCA

www.unitedwaycapitalarea.org/advocate

What does it mean to advocate? It's a power that we all have. It's standing up for others and what you believe in your heart. It can be championing a cause. Change is possible. United, we will be heard. Use UWCA's Resource Library to learn more about the issues of Education, Income and Health as it affects our communities. Then find your representative and let your voice be heard.

Engage your Leadership Givers

At the core of every worthwhile endeavor are leaders whose caring and personal leadership set the course for others. In our community, thousands of generous and caring individuals are partnering with United Way to change lives and build community. Leadership Givers are: Individuals and couples who contribute \$1,000 or more to our community. Recognized as generous contributors in Central Texas whose philanthropy truly exemplifies leadership and commitment in our community.
