

Tocqueville Society Step-Up Program

The Tocqueville Society honors individuals or couples who invest \$10,000 or more annually in our community through United Way Capital Area. Membership affirms leadership and commitment to Central Texas by uniting a growing number of civic-minded individuals who together provide what matters to Central Texas.

The **Tocqueville Step-Up** is an opportunity for major donors to increase their gift to the next level over a three-year period while being recognized at the Tocqueville Society membership level. Recognition includes all Tocqueville Society benefits in the first year of commitment. Please consider making a commitment to invest in the future of this community. Now is a vital time to demonstrate leadership and make a commitment that will benefit others for years to come.

With the 2007 **Tocqueville Step-Up Program** any individual or couple qualifies to be a Tocqueville Society member if they sign up for the 3-step pledge program to:

- ① Donate \$5,000 to UWCA in 2007 - 2008.
- ② Donate \$7,500 to UWCA in 2008 - 2009.
- ③ Donate \$10,000 to UWCA in 2009 - 2010.

You will be recognized as a Tocqueville Society member as soon as you commit to the three year pledge. Please sign and return this form to join the **Tocqueville Step-Up**.
